

Anthony Florence

PARTNER – TOWNSVILLE MANAGER & SNR STRUCTURAL ENGINEER

B ENG, MIEAUST, RPEQ 04683

BACKGROUND

With almost 30 years of professional engineering experience and as a Partner of STP Consultants, Anthony provides strong leadership and important mentoring to emerging engineers. Anthony is a highly respected Structural Engineer within the industry and has extensive experience in high density, multi-level residential, commercial and industrial as well as government infrastructure projects.

Anthony graduated from The University of Southern Queensland in 1990, and after gaining experience with engineering firms in Toowoomba and Townsville, Anthony joined Progress Consultants in 1995. In 2002, with the acquisition of Progress Consultants by the BMD Group, Anthony was responsible for the management of the BMD Townsville structural office. Following the Incorporation of STP Consultants in 2005, Anthony was appointed to his current position. Anthony has been a Registered Professional Engineer of Queensland since 1994, is currently registered as a Certifying Engineer (Structural) with the Northern Territory Building Practitioners Board and is a Member of the Institute of Engineers Australia.
