

Jill Parsons

SENIOR ELECTRICAL ENGINEER

B ENG, RPEQ 08682

BACKGROUND

Jill is a Senior Electrical Engineer in Townsville, North Queensland and has been responsible for the electrical engineering design and delivery for some of North Queensland's most iconic public projects.

With extensive experience in the design and documentation of electrical services for both public and private projects in rural and remote locations, Jill has developed excellent problem-solving skills.

Jill has helped deliver some of North Queensland's most iconic projects and largest public infrastructure. Her professional responsibilities have included the design and documentation of electrical services for public projects in the area from Rockhampton, north to the Torres Strait and West to Mt Isa.
